CHTF Overview

China Hi-Tech Fair (CHTF), approved by China's State Council, has successfully held 26 sessions since 1999. As a vital part of China's efforts to become a science and technology powerhouse, the CHTF provides a platform for China's high-tech sector to engage with the world, facilitating international exchange and the commercialization of technological achievements. It plays a vital role in achieving breakthroughs in core technologies and enables Chinese tech enterprises to expand globally. Recognized as one of China's "Top Three" national exhibitions, alongside the Canton Fair and CIIE, the CHTF is acclaimed as "THE LEADING HI-TECH FAIR IN CHINA".

The CHTF 2024 pioneered the market-oriented transformation of a super-large-scale government exhibition and achieved fruitful results. The CHTF 2025 CHTF will continue to adhere to the concept of professional, market-oriented and internationalized exhibitions, inviting world-renowned technology companies from more than 100 countries and regions to participate in the exhibition, fully displaying the development trend of world high-tech, releasing the latest high-tech achievements, and conducting high-tech achievement transactions, investments and negotiations on a global scale.

CHTF Highlights

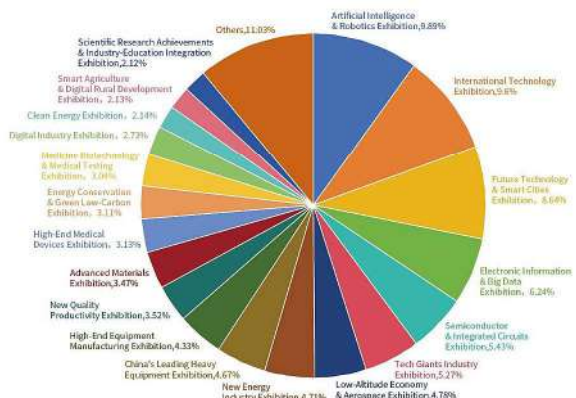

1. Investors and Buyers Gather with Capital to Discover Premium Projects

The number of visitors at The CHTF 2024 exceeded 400,000, with over 32,800 organizations and institutions clearly expressing procurement needs. Over 10,000 professional buying and visiting groups participated in the exhibition.

Investment and Financing Institutions: Over 3,000 renowned institutions, including Morgan Stanley, Blackstone, Bain, Goldman Sachs, Carlyle, Sequoia, IDG, Shenzhen Capital Group, Matrix Partners China, Hillhouse Capital, and others, paid attention to the CHTF.

Domestic Buyers: Huawei, Tencent, ByteDance, Alibaba, XPeng, iFlytek, BYD, Baidu, Canon, Xiaomi, Haier, Midea, Gree, Hisense, Foxconn, OCT and other purchasing groups led the purchase.

International Buyers: Organizations and institutions from over 100 countries and regions, including Germany, the UK, France, Russia, Canada, Japan, South Korea, Australia, Belgium, Pakistan, the Czech Republic, and others, joined the event. Procurement groups from Samsung, Panasonic, Oracle, Toyota, and Ford attended the CHTF to find partners. The Russian CIPR consortium's procurement totaled 7.3 billion yuan, while General Electric's reached 12 billion yuan.

The Interest to Buyers at the 26th (2024) CHTF

2. Massive Media Exposure to Create a Cutting-edge Show

Wide Media Publicity:

- 9 major media networks covering over 100 countries and regions worldwide;
- 11 languages, with nearly 1,000 domestic and international media outlets providing focused coverage;
- 30 nearly national-level media outlets providing ongoing coverage.

Debut and Premiere:

Hold new product launches and roadshow events, Over 1,000 new products and technologies showcased at CHTF. CHTF creates an IP platform for tech debuts, highlighting the value of the debut economy to support quality company development.

CCTV News Reports on the Grand Occasion of the 26th China Hi-Tech Fair

3. Global Industry Leaders Share and Exchange

Over 160 national and international high-tech forums and exchange events, featuring dozens of academicians from the Chinese Academy of Sciences and Chinese Academy of Engineering, along with over 100 experts, scholars, and industry leaders from 17 major sectors, discussing innovation and technological development.

Exhibition Scope

China's Leading Heavy Equipment, Top Tech Industry Chains

Aerospace, high-end shipbuilding and marine engineering equipment, major scientific instruments and equipment, energy equipment manufacturing, smart manufacturing, large-scale engineering equipment, etc.

Research Institutes, Universities and National Key Laboratories, Biotechnology

Comprehensive scientific research institutes, professional scientific research institutions, scientific research units of universities, corporate R&D centers, scientific research units affiliated to the government, institutions of international scientific research organizations in China, private scientific research institutions, etc.

Artificial Intelligence and Robotics

Artificial Intelligence Applications and Services, AI Core Technologies, Intelligent Software and Hardware Products, Intelligent Robots, VR/AR Virtual Reality, Big Data, Advanced Display Technologies, etc.

Consumer Electronics

Audio-visual products, mobile and digital technologies and accessories, automotive multimedia equipment, digital imaging products, printing and printing equipment and various household appliances, etc.

New Quality Productivity

The latest scientific and technological achievements and innovative products, transformation of scientific and technological innovation results, new models for industrial structure upgrading, innovative technology patents, digital transformation, green and low-carbon, digital economy, etc.

Cross-border E-commerce

Industrial demonstration zones, industrial parks, (B2B, B2C, C2C) platform systems, domestic and overseas retail e-commerce, import and export trading companies, cross-border software and technical services, cross-border e-commerce logistics, cross-border financial payments, cross-border technology products, etc.

Smart Ports, Rail Transit

Rail vehicle and locomotive accessories, communication signals and informatization, power supply electrical systems and engineering equipment, smart railways and urban rail transit, etc.; port informatization, safety equipment and mechanical equipment, transportation equipment, port services and digital ports and ships, etc.

Water and Environment

Water treatment technology and equipment, water resources management and protection, water supply and drainage systems, sludge treatment and disposal, water engineering services, instrumentation and automatic control systems, water purification equipment, water treatment chemicals, etc.

International Scientific and Technological Achievements, Provincial and Municipal Scientific and Technological Achievements

International innovative technologies and products, major domestic scientific and technological breakthroughs, and display and resource promotion of characteristic industries in countries and regions along the Belt and Road and beyond.

Shenzhen's Scientific and Technological Achievements, Future Cutting-edge Technologies

Showcase scientific and technological innovation achievements, future scientific and technological products and technologies that have Shenzhen's advantages and characteristics.

Semiconductors and Integrated Circuits

Semiconductor materials, third-generation semiconductors, IC design, advanced packaging and testing, integrated circuits, electronic components, equipment manufacturing, etc.

Smart Manufacturing and Automation

Machine learning, CNC machine tools and metal processing, smart factories, electronic intelligent manufacturing, automobile manufacturing and equipment, industrial automation and robots, humanoid robots, dexterous hands, etc.

Low-altitude Economy and Commercial Spaceflight

Drones, eVTOL aircraft, general aviation (helicopters), airborne equipment, low-altitude flight services, low-altitude route network infrastructure, aerospace new materials, launch vehicles, remote sensing satellites, manned spacecraft, satellite manufacturing technology and services, etc.

Digital Energy and Clean Energy

New power systems, green power generation technologies, digital grid technologies; new technologies, new equipment, new operation and maintenance, and new project construction solutions in the fields of energy storage, wind energy, hydrogen energy, solar photovoltaics, etc.

Municipal Engineering and Intelligent Construction

Municipal lighting and illumination, sanitation equipment and urban pipe networks, municipal engineering construction materials and landscaping, construction solid waste treatment, etc.; BIM products, industrialized components, smart construction sites, smart operation and maintenance, construction industry Internet platform, etc.

Financial Services, New Energy Vehicles

Financial technology services, industrial finance, financial technology equipment, banks, securities, funds and insurance; new energy vehicle complete vehicles, power batteries, body systems, driving systems, etc.

1

Summit Forum

The forum is based on a global perspective, implements national strategies, and focuses on current industry hotspots such as scientific and technological development, macroeconomics, and capital markets. Through the exploration of science and technology, sharing of views, and the collision of wisdom, it gathers the strength of all parties, pools innovative resources, and fully displays the latest developments and cutting-edge thoughts in the world's science and technology, economy, finance and other fields. It is an important platform for promoting international exchanges and cooperation.

2

Technical Exchange Meeting

A series of activities during the same period will invite domestic and foreign academicians, experts and scholars, presidents of industry associations, and leaders of leading enterprises to exchange and cooperate in different fields, showcase cutting-edge scientific and technological achievements, focus on the pain points and difficulties of corporate development, carry out multi-level and all-round discussions and exchanges, and promote the innovative development of Chinese technology companies.

3

Global Buyers Matchmaking Conference

The "Ten Million Buyers" program was launched to promote on-site transactions, build a one-to-one communication platform for exhibitors and professional buyers, and improve the satisfaction of exhibitors and buyers. It serves as a "matchmaker" for both supply and demand, helping exhibitors get orders, and also helping domestic and foreign buyers optimize the supply chain and find new technologies and good products.

4

New Products Release

As the first platform for technology companies to release products, CHTF sees over a thousand representative new products, technologies and services appear at the fair every year. As a "fashion show" for global debuts, new technologies and products such as China's first and the world's first are blooming at the CHTF with a strong momentum, attracting many global buyers to cooperate and connect, and the debut economy is bursting with strong momentum.

5

Live Stream of the Exhibition Hall

The "experiential" live stream activities at the exhibition site can realize new combined functions such as "cloud exhibition + live stream + interaction + product promotion + cooperation docking", and simultaneously push live stream through the official website of the exhibition, WeChat links, etc., inviting global buyers to visit the exhibition online, assisting exhibitors to display their products in a "dual-line" mode, driving more online traffic to be converted into offline traffic, and expanding the scope of transactions.

General Term & Conditions

1. Application for space on the Exhibition shall be made on the form overleaf and shall be duly signed by the Exhibitor or a person authorized by him. Following receipt of the Application together with initial payment. All special decoration must be approved by the organizer.
2. The payment schedule for space only, shell stand is as follows
 - I. 50% with submission of application.
 - II. 50% by date specified on the application. where the application is made after the final payment date that specified on the Application, the total amounts shall be paid.
 The total price represents only the payment for the space, details of which are set out overleaf. All other goods and services required by the exhibitors shall be paid by the exhibitors. in addition, exhibitors will not be allowed to take over their space or stands.
3. in addition to the space price. (And stand fitting service when applicable), inhibitors will be billed for optional services requested; such as hired furniture, power supply, telephone lines. show catalogue advertisements and other.
4. If the organizer agrees to a cancellation of the space contract, the exhibitor will be liable for all or part of the contract price depending on when the cancelation request will receive.
 - if 90 days prior to the exhibition's opening date 50% of total amount, if 30 days prior to the exhibition's opening date 100% of total amount, if less than 30 days prior to the exhibition's opening date, in addition to the cancellation charges, the exhibitor will be liable for any specific cost that imposed on the organizer. These terms cannot be varied under any circumstances.
5. An exhibitor who fails to exhibit for any reason, shall be liable for the full amount of the contract plus additional amounts incurred by the organizers on the exhibitor's behalf.
6. If an exhibitor declares bankruptcy, the contract with such an exhibitor shall be cancelled and any moneys already paid, shall be retained by the organizers.
7. The organizers or their servants or agents shall not be liable for the safety of Exhibitor's staff, agents, contractors or invitees during the exhibition, and will not be liable for any products, goods or other property of whatever kind brought into the exhibition by exhibitors.
8. All contracts and services provided by the organizers, are subject to these terms and conditions and organizers reserve the right to alter, add to, or amend any of these conditions in the contract.
9. All responsibility for building, installing, completing, changing or dismantling the booths or entering, placing or removing the goods is the responsibility of the exhibitor.
10. The contracted party for a stand, is responsible to be fully aware of their contract and agree to abide by.
11. The exhibitor must not transfer or sublet all or any part of his exhibition space, whether for financial consideration or otherwise. The exhibitor who is an agent or distributor or licensee, should mention the names of the principals at the time of application to be represented, this does not prohibit an exhibitor to displaying the products of a principal for whom he becomes a distributor or licensee after the time of application. with the prior written permission of the organizers, they can promote their products.
12. The organizers shall not be liable to the exhibitor by reason of any cancellation or part-time opening of the exhibition, either in whole or in part, for any non-performance of their obligations under this application or any amendments or iterations to all or more of the rules and regulations of the exhibition, each case to the extent that such occurrence is due to any circumstances not within the control of the organizers.
13. The organizers reserve the right to allocate the exhibition spaces in any way they think is in the public interest of the exhibition and place them at the exhibition site and to change the general layout or any specific type and even in case of allocation and contract, to help the exhibitor to accept such new space allocation.

بیست و هفتمین نمایشگاه فناوری های پیشرفته

چین - شنژن - مرکز نمایشگاه و همایش های جهانی (بائوآن)

۲۵-۲۳ آبان ۱۴۰۴

با احترام در خصوص تور سفر به نمایشگاه بین المللی CHTF2025 چین - شنژن، خدمات و هزینه های اقامت ۵ شب و ۶ روز به شرح ذیل تقدیم می گردد.

مدت اقامت در کشور چین	اقامت ۱ نفر در اتاق دو تخت	مدت اعتبار ثبت نام
۱ شب اقامت در گوانجو ۴ شب اقامت در شنژن	۱۷۶۰ دلار + هزینه پرواز	۵ آبان ۱۴۰۴

خدمات:

نشست تجاری با بازرگانان چینی، پرواز تهران - گوانجو و شنژن - تهران، ۵ شب اقامت در هتل پنج ستاره با صبحانه، ویزای چین، ترانسفرهای فرودگاهی و نمایشگاهی به صورت اختصاصی، راهنمای انگلیسی زبان محلی در اختیار گروه، بیمه مسافرتی.

توضیحات:

- ۱- مسئولیت کنترل پاسپورت و همچنین هر گونه ممنوعیت خروج از کشور به عهده مسافر می باشد.
- ۲- نرخ های فوق برای هر نفر در اتاق دو تخت است. در صورت درخواست اتاق سینگل ۵۵۰ دلار به مبلغ فوق اضافه خواهد شد.
- ۳- پرواز بصورت سیستمی و نرخ ریالی بر اساس کلاس پروازی موجود اعلام خواهد شد.
- ۴- قیمت ها بدون احتساب هر گونه مالیات و ارزش افزوده است.

مدارک لازم جهت اخذ ویزای چین:

- ۱- اصل پاسپورت همراه با کپی رنگی صفحه اول.
- ۲- اسکن صفحه اول پاسپورت با کیفیت بالا.
- ۳- ۱ قطعه عکس پرسنلی جدید ۴×۶ با پشت زمینه سفید تمام رخ همراه با فایل اسکن شده با کیفیت بالا.
- ۴- تکمیل فرم مشخصات فردی به صورت کامل و پاسخ به تمامی سوال ها. (داشتن QR Code الزامی است).
- ۵- در صورت داشتن ویزای کشور چین در پنج سال گذشته، آخرین اسکن ویزای موجود به همراه مهر ورود و خروج با کیفیت بالا ارسال گردد. (در صورت نیاز برای کشورهای مختلف حذف شود)
- ۶- در صورت داشتن تابعیت یا اقامت کشور دیگر، اسکن پاسپورت و یا کارت اقامت با کیفیت بالا ارسال گردد.
- ۷- تمکن مالی (جهت کسب توضیحات تکمیلی با کارشناس مربوطه سرکار خانم کارگزار با شماره: ۰۹۱۲۰۷۰۸۴۳۳ تماس حاصل فرمائید.)

نکته: لازم به ذکر است در صورت مرجوع شدن از سوی سفارت، کلیه مشارکت کنندگان می بایست شخصاً در محل سفارت کشور مدنظر حضور یافته و فعالیت های لازم را جهت اخذ ویزا خود بر عهده بگیرند.
