

Dear Ali,

Thank you for sharing the information with me.

As agreed, I am sending you the latest working version of the MoU between the Iran Chamber of Commerce, Industries, Mines and Agriculture (ICCIIMA) and the Chamber of Commerce and Industry of Serbia. This is the version that was officially forwarded to us.

I also received another, very similar version from Mr. Mehdi Bakhshanden, President of the Iran-Serbia Joint Committee. My suggestion was that we proceed with the officially transmitted document as the basis.

Additionally, please find our digital catalogue of exporters here <https://www.serbia-export.com/en>

Kind regards,
Ana
